AKRON

Dear Mrs Shea. Stonum, Ma Dear

First let us bow our heads in prayer. May Allah grant you all things in heaven here on earth this planet. The wisdom and all things associated therein here today. As above case numbers this letter were to advise your office at home that Levert K. Shiffin inst #433.089, 2075 S. Belden Rd., Shafter, Oh 44044 had no control over the U.S. Government Mail, that was placed in the mail box here at the Reception Center. Which left their post office, for Shafter, Ohio's post office. Levert mailed your court two (2) Notice's on Aug 24.02 and Sep 3.02 which was filed Sep 6.02. Levert filed in Teri M. Smith a Praecipe Aug 24.02 and in error she sent Levert the wrong two (2) case numbers. Review its praecipe and you'll find that there ways no way of knowing any case numbers nor any attorneys addresses. We left that up to you to do so. Please correct your order
